

UNITED KINGDOM

EXCLUSIVE GLOBAL VISAS CAN ASSIST YOU WITH A MEET AND GREET FOR YOUR BIOMETRICS

Biometric data is collected through a quick, discreet and a non-intrusive process that captures a facial image using a digital camera and a 10-digit fingerprint scan on a dry scanner machine. This process will be familiar to applicants who have travelled to other countries requiring biometric data collection. United Kingdom visa applicants will need to attend in person any one of the five (5) UK Visa Application Centres (VACs) to provide their biometrics. These VACs managed by the UK Visa and Immigration's Service Delivery Partner VFS are located in Cape Town, Port Elizabeth, Durban, Johannesburg and Pretoria.

IMPORTANT NOTE :

Please note that the United Kingdom Visa and Immigration advise that the ticket NOT be purchased until the visa is issued. A ticket is not a requirement to apply for the visa. Exclusive Global Visas will not be held responsible should the visa not be ready by the proposed travel date.
